

ATTENTION SAVINGS BOND OWNERS!

The Rules Have Changed
What You Don't Know Can Cost You!

More than \$14.2 Billion in U.S. Savings Bonds have matured and stopped earning interest. Have YOUR savings bonds stopped earning interest?

Come and join us at the Holiday - Inn

Thursday, July 20th 2006 at 11:00 am - 12:00 pm

2000 Rt. 35 North - Hartford, CT 06320

(For directions, call Holiday Inn at 800-555-1212)

If you're like more than 55 million other Americans you've, more likely than not, put them away and haven't given them much thought through the years.

You'll learn, for example...

- Why some Savings Bonds are worth substantially more than their face value
- Why your bonds may not be earning the interest rate you think they are
- Why it's critical to maintain a written record of the bonds you own
- How to reduce or eliminate the payment of Federal Income Tax on bond interest
- How to decide which Savings Bonds to cash in first

Your Host: **Robert R. CSA, CLU – R. A. Associates Inc.**

If you own Savings Bonds... This is a "must attend" event!

There is no cost or obligation to attend. **Reservations, however, are required.** To confirm your attendance, please call 1-800-555-1212 (24 hrs toll free). Guests with reservations are welcome.

As an attendee, you will receive an important FREE Gift (valued at \$300)... a personalized "Savings Bond Performance Report" detailing your bond's values, tax implications, maturity issues, and other information you need to know.

Can't make this seminar but you're still interested?

We will also be having more Savings Bond Seminars in the coming weeks. Call for your FREE Savings Bond Performance Report
